

# Tesla Lyon

775-560-5609 | North Bend, OR | [tesla.a.lyon@gmail.com](mailto:tesla.a.lyon@gmail.com) | [LinkedIn](#) | [GitHub](#)

## SUMMARY

Recent graduate from a full-stack coding bootcamp, with an interest in web design and user interfacing, and looking to make a career change from teaching to tech.

## TECHNICAL SKILLS

**Languages:** HTML, CSS, JavaScript, Python, Java | **Libraries:** ReactJS | **Databases:** MongoDB, HashiCorp | **Frameworks:** NodeJS, Bootstrap, Flask, Spring Boot

## TECHNICAL PROJECTS

<b>Our National Conversation Site</b>   <i>WIX Team Lead and React Intern</i>   <a href="#">Live ONC Site</a>	Aug. 2024 - Dec. 2024
<ul style="list-style-type: none"><li>Utilize WIX Editor, CMS, and CSS to improve and deploy live site for user engagement of organization content.</li><li>Work with a team of student interns to use React and Node to develop a self-contained website for site optimization and continued usability.</li><li>Participate in department meetings to help the development of a back-end aggregator to display news information rather than using a third party to aggregate content.</li></ul>	

## PROFESSIONAL EXPERIENCE

<b>English Teacher</b>   <i>Marshfield High School</i>   Coos Bay, OR	Aug. 2024 - Present
<ul style="list-style-type: none"><li>Manage honors and regular education English classes for high school students while providing guidance and support for academic and personal growth and success.</li><li>Developed and implemented lesson plans to meet individual student needs as well as state standards.</li></ul>	
<b>Software Development Intern</b>   <i>Our National Conversation</i>   Remote	August - December 2024
<ul style="list-style-type: none"><li>Produce front-end displays for aggregator results using HTML and CSS with React.</li><li>Aid in the creation of an aggregator to pull articles from multiple news sources for display on organization's site.</li><li>Team lead for WIX site content and development for user interaction with the organization.</li></ul>	
<b>Visitor Experience Team Lead</b>   <i>FAMSF</i>   San Francisco, CA	April - August 2024
<ul style="list-style-type: none"><li>Provide support to customer-facing teams and collaborate with other team leaders and departments for customer satisfaction and institutional development of standard practices.</li><li>Manage day-to-day scheduling of a 50+ person team with various accommodations and restrictions.</li></ul>	
<b>Visitor Experience Associate</b>   <i>FAMSF</i>   San Francisco, CA	Sept. 2022 - Aug. 2024
<ul style="list-style-type: none"><li>Provide exceptional customer service and visitor support to museum guests by assisting with events, education programs, and public programs to provide regular engagement opportunities for community members.</li><li>Handle ticketing, donations, membership inquiries, and membership processing for member and guest satisfaction.</li></ul>	

## EDUCATION

<b>Coding Dojo</b>   <i>Full-Stack Developer Certificate</i>   Online <ul style="list-style-type: none"><li><i>Immersive Full-Stack Training Program in Python, Java, and MERN</i></li></ul>	2023-24
